Weidmüller Fact Sheet

Profile

Smart Industrial Connectivity: Electrification, automation, digitalisation, electrical connectivity and renewable energies - markets in which Weidmüller feels right at home. The family-owned company established in 1850 has production facilities and sales companies in over 80 countries. As a global player in electric connection technology, Weidmüller achieved a turnover of almost one billion euros in the 2024 financial year with around 5,700 employees worldwide - around 2,000 of whom work at the company's headquarters in Detmold, in the heart of East Westphalia-Lippe, Germany. Diversity with respect.

Industry

Company for electrotechnology

Foundation

1850
