

Environmental policy

1. Scope/Background

Weidmuller Limited is a local sales organisation operating in the UK market and is part of a global group, Weidmueller Interface, a global manufacturer of electrical and device connectivity, automation and electronics products and provision of solutions including empty and populated assembled enclosures and rail assemblies into industrial and hazardous areas.

Weidmuller Ltd is committed to the protection of the environment. Strictly limiting any environmental impact of running our business to an absolute minimum and operating within the defined context of our organisation helps our employees, interested parties and society at large. The protection of the environment and consideration of life cycle management is our collective responsibility towards society and future generations, which will reduce to a minimum the ecological impact of all our activities. Managers are expected to continuously be on guard against adversely affecting the environment and to seek ways to conserve natural resources,

2. Objectives

Weidmuller Ltd

- Is committed to continual improvement and prevention of pollution in all activities that are carried out.
- Is also committed to compliance with the applicable legal and other requirements as recorded within our compliance registers.
- Will also routinely consider risks and opportunities within the defined scope of management system
- Wherever possible and practical mitigate those risks through effective controls and processes, such as resource and utilities consumption and the minimization of waste.

3. Communications

This policy is communicated to all personnel working for or on behalf of the organisation and a copy is available on the Company network and upon request for interested parties.

4. Reviews

The Company will set/review/update objectives for environmental improvement These will be set and reviewed as part of our Management Review process,

5. Endorsements

Senior Management gives their full endorsement to this policy, which will be subscribed to throughout the business, and will support all those who undertake to carry it out. The policy will be reviewed as part of the Management Review process to ensure it continues to reflect the Company's goals and objectives,

Date: 27/3/18

Simon Goodwin, Managing Director
