

Technical Change SAK PA 35

Dear Ladies and Gentlemen,

Product changes serve the continuous product improvement. The articles listed below are supplied in a modified version. Please pass this product information on to your employees and, if necessary, to your customers. All changes are made for product improvement reasons.

1. Situation

For the SAK PA range with TS 35 the IECEx - Certificate of Conformity (CoC) no longer correspond to the current standard.

2. Technical change

The new certification numbers and markings "TÜV 18 ATEX 8207 U" and "IECEx TUR 18.0017 U" have been modified on the product.

Old version

Just an example for the whole range

New version

3. Reason for the change

Ex approvals have been adapted to the current standard status.

4. Availability

This change will be implemented in August 2021 and available on stock by September 2021.
