

Technical Change

Dear Ladies and Gentlemen,

Product changes serve the continuous product improvement. There is a technical change for the articles listed below. Please pass on this product information to your employees and, if necessary, to your customers. All changes are made for reasons of product improvement.

1. Situation

The products of the MK 6 series can currently be ordered as part of a packaging unit. In addition, the clamping points are currently open at delivery.

2. Technical change

In the future, the affected products will only be available in the packaging units indicated. It will no longer be possible to order partial quantities directly from Weidmüller. In addition, all clamping points will be closed when delivered.

3. Reason for the change

This change improves the transport safety of the affected products.

4. Availability

The change is effective since 09.02.2021

5. Affected products
