

Technical change for cap nut V1 and V4

Dear Madam or Sir,

the products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

- Use of orange cap nuts / screw connections

2. Technical change

- The color of the cap nuts changes from orange to black. There are no further changes or technical deviations.

3. Reason for change

- Market demand for a neutral design

4. Availability

- April. 2021
