☐ **normal** (executed after 6 months)

#### Short-term action due to:

☐ Software or firmware bugfix  
☐ Short-term recall by supplier  
☒ Product improvement ☐ other  
☐ Delivery stop by supplier  
☐ Force majeure

#### Short-term action due to:

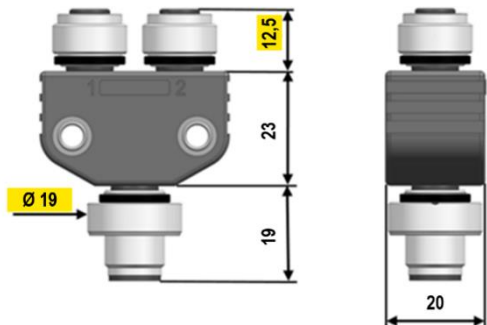

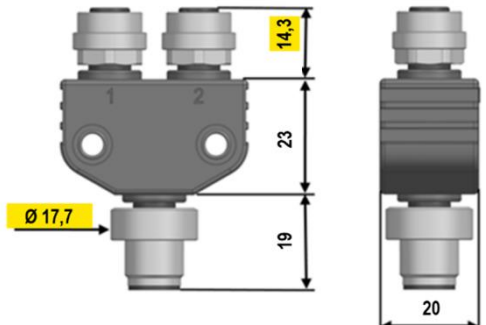

Use of lead free components

### 2. General information

So far, leaded versions have been used as thread rings. To make the products sustainable, the concept is being converted to a lead-free version.

### 3. Change details

Until now, a lead-containing material was used for the threaded rings of the affected article. As part of the changeover, these will be converted to a lead-free material so that the products comply with the RoHS Directive without exception 6c. The change will result in deviations in the dimensions of the existing article. All other technical specifications remain identical.
