

Change of marking - Ethernet PCB Terminal (LSF-SMT)

Dear Madam or Sir,

Product adaptations serve the purpose of continuous product and/or process improvement. The listed products are delivered in a modified version. Please pass this product information on to your employees and, if needed, to your customers.

1. General Overview

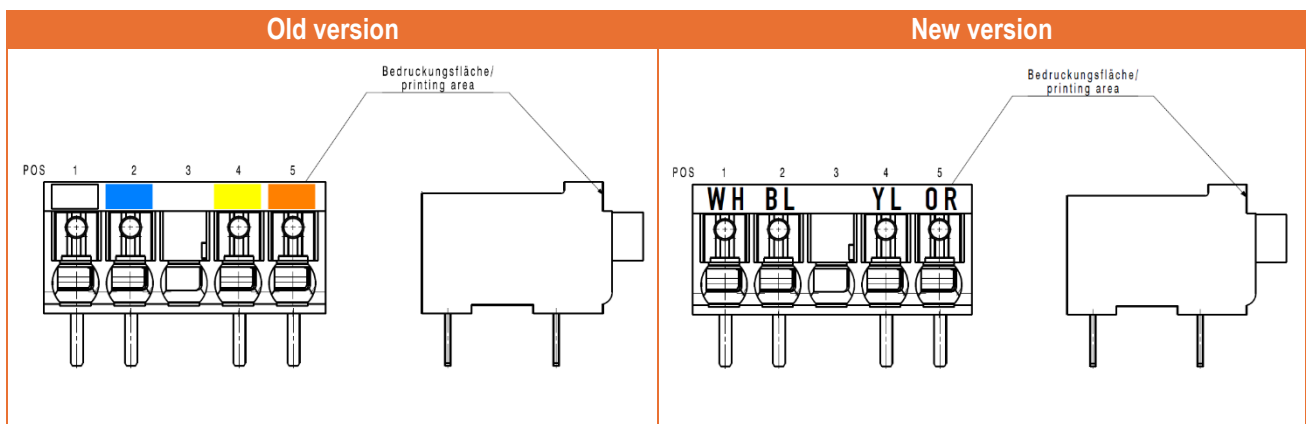

Type of notification: ☒ PCN ☐ PDN ☐ Short-term action

Short-term action due to:

- | | |
|--|---|
| ☐ Software / Firmware Bugfix | ☐ Short term delivery stop by supplier |
| ☐ Short term recall by supplier | ☐ Force majeure |
| ☐ Product improvement with customer benefit | ☐ other |

2. Technical changes

The marking on the Ethernet terminals (LSF-SMT) will be changed from multicolored to white. This adjustment enables a more stable and economical production process, which contributes to ensuring consistent product quality and delivery capability in the long term. The technical function and labeling remain unchanged, so that the change has no effect on the application.

3. Availability

This letter is to inform you that the change will be implemented in production from the end of November 2025. There will be no stock adjustment.

4. Affected parts

2639530000	LSF-SMT 3.81/04/90PN 3.5SN BK TU
2639520000	LSF-SMT 3.50/05/90PN 3.5SN BK TU SO

5. Data

All technical data and functional features are unaffected by this measure.
Detailed information on the technical data can be found for the individual products in the [eShop](#).

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here:
