

## Technical change to SKH2 modules

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

### 1. Initial situation

- The articles on Section 5 were delivered in the past with their structural frame in color Grey RAL 7032 (light grey component from the photo below).

Example photo of initial situation for  
article 8174800000

### 2. Technical change

- The old raw material 4171090000 PC V0 GY7032 (with Grey RAL 7032) is currently used to produce the subassembly component 2110700000 SKH BG M.ABD, which is used to produce the articles in Section 5.
- This old raw material (4171090000 PC V0 GY7032) will be replaced by the new raw material 2836990000 PC V0 GY7035 (Grey RAL 7035).
- This replacement implies a change in the color of the raw material, which will be reflected on the subassembly component 2110700000 SKH BG M.ABD, and consequently, on the articles from Section 5.

Old version	New version
 RAL 7032 PEBBLE GREY	 RAL 7035 LIGHT GREY

### **3. Reason for change**

Old raw material 4171090000 PC V0 GY7032 can't be ordered at our supplier anymore. New material 2836990000 PC V0 GY7035 has been proposed instead.

### **4. Availability**

Current products in stock may still be produced with the old raw material (with old RAL 7032). Once the stock of these articles is finished, new productions will be done with new modifications detailed above. This will be reflected on its compatibility indicator (or PLM Index) which will be increased. As time goes on, products with old compatibility codes will decrease until end of stock following a FIFO process. FIFO stands for First in – First out in our stock locations.

### **5. Affected parts**

8174800000 SKH2 31 LP  
8174830000 PRTCRT C.I. SKH 2D 32S  
8174850000 PRTCRT C.I. SKH 2F 32S (Z/B)  
8174860000 PRTCRT C.I. SKH 2F 32S Z/D

### **6. Data**

PCN-number: 20250415  
This document has indefinite validity from today.

Date of publishing: 15-04-2025

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.
