Technical change to OMNIMATE POWER connector
BVF 7.62HP 2-pole version, fixed coding at pole 1

Dear Madam or Sir,

the below listed articles will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications are performed for reasons of product improvements.

1. Technical change

We have implement a fixed coding at pole 1 for the 2-pole female plug BVF 7.62HP.

Old version	New version

2. Reason for change

The modifications made considerably improved user friendliness and protection against miss mating like upside down plug in. The new female plug fits to the existing 2 pole SV 7.62HP. The SV 7.62HP will not be changed.

3. Availability

The production of the new version will be start in cw38/2018. Afterwards the stock change is an ongoing process.

4. Affected parts
